DOC Health Practitioners I; Alternate Workweek

17-GG-131

It is agreed between the parties that the following terms and conditions of employment apply to the full-time overtime ineligible Health Practitioner I positions in the Health & Rehabilitation Services Section of the Department of Corrections. No provision of the July 1, 2016 through June 30, 2019, master agreement not specifically referenced is modified by this agreement.

As provided in Article 22.01 the following terms and conditions describe the alternate work schedule agreed to under this agreement. In accordance with Article 4 and 27, Management reserves the right to make final determinations concerning scheduling. The work period for each individual shall be established in writing by the supervisor on the corresponding assignment form.

1. The work period shall normally consist of seven (7) consecutive work days over a fourteen (14) day period. No single work day may exceed twelve and one-half (12.5) hours and will include either a one (1) hour or a one-half (.5) hour unpaid meal break approximately half way through each work shift.
2. As provided in Article 23.03 C, employees shall be allowed a paid 15-minute relief period approximately mid-way through each four-hour block of their work shift. If a shift is greater than ten hours, then each employee will be entitled to another 15-minute break. The parties understand that no more than three such relief periods may be taken during any shift greater than ten hours, but less than twelve hours. Relief breaks may not be combined, nor taken at the end of a shift.
3. Article 24.02 shall be amended as follows:
A designated holiday will be observed on the calendar day in which it falls:
 - a. If a holiday falls on the member's regularly scheduled day off, or on the member's regularly scheduled work day and the employee works, the member's personal leave account shall be credited with seven and one-half (7.5) hours of personal leave.
 - b. If a holiday falls on the member's regularly scheduled work day and the member observes the holiday, the difference between the seven and one-half (7.5) hours holiday and the scheduled hours of work for that day, at the member's request and business permitting, will:
 - i. be added or subtracted from other days within the workweek; or
 - ii. be taken as personal leave in order to maintain the established schedule.

This agreement supersedes LOA 14-GG-026. This agreement is effective July 1, 2016, and remains in effect through June 30, 2019, except that it may be canceled by either party with fifteen (15) days written notice.

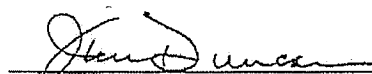

This agreement is entered into solely to address the specific circumstances of this particular situation. It does not establish any practice or precedent between the parties. This agreement shall not be referred to in any other dispute, grievance, arbitration, hearing, or any other forum, except as may be necessary for the execution of its terms.
